Meeting notes

Date: 18:30 – 18:50   03/02

Participants: Deividas, Emilis, Julius.

Done by: Deividas Bendaravičius

Topics:

1. What should presentation consist of.

2. Presentation flow.

We had a meeting where we discussed how the presentation should know, what content should be presented, who presents what and so on.

We decided on the following flow:

Motivation -> Technologies -> UML Deployment -> RM Model

-> Preliminary GUI design -> Future implementations.
